

As the COVID situation in Ohio and Hamilton County worsens, and in an effort to minimize contact and the spread of COVID, Court Administration services to the public and attorneys are available by appointment only. You may call Court Administration at [513-946-5800](tel:513-946-5800) to set up an appointment or for additional information.

If your Attorney ID badge has expired or will expire between March 2020 and February 2021, upon presentation of your expired badge, you will be permitted access to the Courthouse consistent with Local Rules of Court and current Administrative Orders limiting access to the Courthouse only when an in-person appearance is required.
