

Pursuant to RC 2937.011(I)(1), In order to expedite the prompt release of a defendant prior to an initial appearance, each court shall establish a bail bond schedule covering all misdemeanors including traffic offenses, either specifically, by type, by potential penalty, or by some other reasonable method of classification. The court also may include requirements for release in consideration of divisions (D) and (E)(5) of this section. The sole purpose of a bail schedule is to allow for the consideration of release prior to the defendant's initial appearance, the Court has adopted the attached Standard Bond Schedule. Further the Court requires that defendants who are eligible to post bond under the conditions of the Standard Bond Schedule, as well as defendants who have had a bond set prior to their initial appearance, be able to have their bond posted 24 hours per day through the Clerk of Courts.
